

Pack 200 Volunteer Needs

It takes MANY volunteers to keep Pack 200 running well. Each family is asked to try to do **at least** one thing each year to help with our programming. Below you will find a list of leadership needs and a list of ongoing and future programs and activities where help is needed. (After an individuals name there is a year listed which indicates when that person “ages out” of Pack 200, this happens each February after the Blue and Gold banquet.

Please review the list and give consideration to how you can help, and then place an X in the column indicating what roles you are interested in
